

The **Enam group** was founded in 1984 as a diversified financial services group. We have worked with our clients in the most exciting period in India's economic history. As India was being redefined by market-oriented reforms, our businesses* - investment banking, research & brokerage, and asset management - created significant value for our clients. Over 38 years, we have worked with leading Indian businesses, families and global institutions.

GUIDING PRINCIPLES

Our guiding principles provide us the tenacity for operating in an ever changing world:

CLIENTS FIRST

Alignment of interest and transparency
